WHY JOIN?

"I joined Farmers Union because I love the community that I could see that it fosters. I also think it is a great way for farmers to have a voice and collaborate with each other on the issues they care about."

— SKYE BRUCE

We're standing up for family farms and rural Wisconsin.

Founded in 1930, Wisconsin Farmers Union is a grassroots organization committed to enhancing the quality of life for farmers, rural communities, and all people through educational opportunities, cooperative endeavors and civic engagement.

Anyone can join WFU! We welcome allies who want to participate in our programs.

Our Mission

Wisconsin Farmers Union, a member-driven organization, is committed to enhancing the quality of life for family farmers, rural communities, and all people through educational opportunities, cooperative endeavors, and civic engagement.

EDUCATION

Our programming for adults and youth will help you increase your knowledge of the issues facing agriculture, while growing your leadership skills.

LEGISLATION

Farmers Union is a powerful and respected voice in the agricultural community. We understand the issues facing rural America and family agriculture and can help elevate your voice.

COOPERATION

WFU has a rich history in the cooperative movement. Let us connect you with key resources.

"I was inspired by democracy in action and impressed by members' ability to debate issues while still coming together around our values: advocating for farms and the food justice system."

— ALLISON CROOK

"I joined Farmers Union 40 years ago because of its commitment to community — we can learn so much from each other."

— JIM STREVELER
